Airline Engineered Systems & Manufacturing Services

No matter what your requirement—integrated component sub-assemblies or a fully-customized system—you can rely on Airline to deliver an innovative solution with unmatched customer service. We pride ourselves on satisfying our customers with best-in-class systems and sub-assemblies produced by our dedicated team of experienced sales engineers, system engineers & assembly technicians in our ISO 9001:2015 certified facilities.

- **Hydraulic Systems**: Power units, accumulator racks, manifold assemblies & winch systems.
- **Automation Systems & Sub-Assemblies**: Pneumatic, motion control & electrical components.
- **Structural Framing Systems**: Machine guarding, lean workstations & machine bases.
- **Hose Assemblies, Lube Systems, Liquid & Gas Pressure Systems** and more.

We’re here to help you.

For your convenience, we provide:

- **E-Commerce Website** with pricing and availability.
- **Same Day Shipping** on in-stock orders placed before 3:30pm EST.
- **V.M.I. (Vendor Managed Inventory)**: We’ll physically monitor & replenish, as needed, your facility’s inventory levels of the products we carry. Our V.M.I. programs include:
  - **J.I.T. (Just-In-Time) Inventory Services**: Ensures the products you need are available when you need them.
  - **Blanket Contracts**: Reserve inventory stored at our warehouse facilities, which will be shipped to you on your pre-determined release dates.
  - **Consignment Inventories**: Store Airline-owned products at your facility, issuing a purchase order for materials as they are needed.
- **Customer Part Number Program**: Place orders using your own part numbers which are cross-referenced to the corresponding manufacturer’s part number.
- **cXML/PunchOut with OCI**: B2B e-procurement solutions.
- **E.D.I. Trading Partner Program**: Uses electronic data interchange standards to conduct business transactions such as order processing and billing.
- **E.F.T. Electronic Funds Transfer**: Provides for electronic payments and collections. EFT is safe, secure, efficient, and cost-effective.
- **Packaging to Meet Your Needs**: Airline can provide kitting, custom packaging, bar-coding, QR code product and bulk identification, bulk packaging, preparation for overseas shipments, or other specialized handling to meet your requirements or your customer’s specifications.
- **Red Pallet App**: The easy way to schedule repair pickups. Simply visit redpalletrepair.com & submit the form. You will be contacted promptly with details regarding the pickup of your components. **NOTE**: This program is not yet available in all areas. Contact your local Airline sales engineer for more details or call our Service & Repair Department at (215) 638-4700.
